

# Coming Soon Banner

As you prepare for your grand opening, we want to remind you of the importance of marketing your brand during the construction phase.

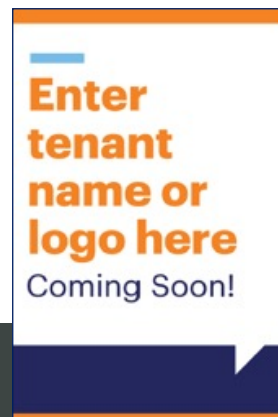

Brixmor will handle the banner's production, shipping, installation, and permitting (if required) once we receive authorization from you to use your business's logo or trademark.

Please provide your logo artwork to your tenant coordinator so we can begin the process as soon as possible (.eps, .ai, or .pdf format is preferred).

**A Coming Soon banner serves as a powerful marketing tool, catching the eye of potential customers and generating buzz around your business.** Not only does this help build anticipation for your opening, but it also creates brand recognition for your business before you even open your doors. So don't miss out on this opportunity to promote your brand and attract customers from the very beginning.
