

Setting Up Trash Removal

Corporate Services Consultants (CSC) provides trash removal services for tenants at all of Brixmor's shopping centers. No outside providers of waste and recycling services are allowed.

By working with one vendor, CSC, we are able to efficiently consolidate all trash and recycling needs for the property while addressing sustainability needs.

PROGRAM BENEFITS

- ▷ **Reduction of carbon emissions** resulting from fewer trash hauler visits to each site
- ▷ Ensure that you receive **competitive market pricing** at all times
- ▷ Improved customer service – **dedicated account representatives** handling all trash and recycling needs
- ▷ Less wear and tear on the property - **reduce upkeep and maintenance costs** of the shopping center
- ▷ **Fewer trash cans** on the property that can be unsightly and create security risks
- ▷ Assurance that the **trash and recycling program is compliant with code** and other regulatory requirements

Make sure to set up trash services **as soon as possible.**
